### **TYPES OF FOOD ESTABLISHMENTS LICENSED IN THE CITY OF LEON VALLEY**

**“Food Service Establishment (FSE)”** is any place where food is prepared and intended for individual portion service, and includes the site at which individual portions are provided. The term includes any place, regardless of whether consumption is on or off-premises, and regardless of whether there is a charge. The term also includes delicatessen-type operations that prepare sandwiches intended for individual portion service. The term does not include private homes where food is prepared or served for individual family consumption, retail food stores, the location of food vending machines, and supply vehicles.

**“Retail Food Store (RFS)”** means any establishment or section of an establishment where food and food products are offered to the consumer and intended for off-premises consumption. The term includes delicatessens that offer prepared food in bulk quantities only. The term does not include establishments which handle only prepackaged, non-potentially hazardous foods; roadside markets that offer only fresh fruits and vegetables for sale; food service establishments; or food and beverage vending machines.

**“Food Vendor (FV)”** means any establishment storing or offering prepackaged, non-potentially hazardous food products and/or whole fresh produce.

**“Food Processing Establishment (FPE)”** means a commercial establishment in which food is manufactured or packaged for human consumption. The term does not include a **Food Service Establishment, Retail Food Store, or Commissary Operation.**
